

New-arrivals in June

1. Beaded Jewelry
2. Enamel Jewelry
3. Evil's Eye Collection

Beaded Jewelry

Playful jewelry like beaded necklaces are one of the hottest summer jewelry trends. The jaunty jewelry trend is perfect for summer as it goes well with both floaty summer ensembles and beachwear.

Enamel Jewelry

Enamel is a decorative coating applied to metal and often comes in a rainbow of colors. When jewelry is crafted into quirky or unexpected shapes and coated with neon enameling or accented with vibrant hues, it adds a whole new layer to your typical everyday outfits.

Evil's Eye Jewelry

Colorful eyes, in round or heart moulds, either combined with eyelash, are the theme of fashion jewelry.
